Studio 6 Health Club Ribbon Cutting

Studio 6 Health Club of Hagerstown, MD working in conjunction with MK Specialty Contracts Group (MKSCG), a division of Morgan-Keller, Inc., had their official ribbon cutting ceremony on April 17, 2009.

The ribbon cutting ceremony took place at 12814D Shank Farm Way, Hagerstown, MD, located in Stone House Square, the new location for Studio 6 Health Club. “We have a great location and a facility that is difficult to beat – that in combination with our outstanding employees, elite trainers and amazing members – Studio 6 will undoubtedly become Washington County’s favorite place to work out!”, says owner, Brent Nelson.

MKSCG completed the project on February 21, 2009. It took just over 2 months to complete the interior renovation of this state-of-the art facility.
